

What is the
Maine Professional Guides Association?

Organized in 1979, the MPGA is composed of registered Maine Guides who work to enhance the standards of the guiding industry through professional development, legislative advocacy, and public outreach.

MPGA members are professional Guides dedicated to promoting a quality, ethical and legal outdoor experience for all.

MPGA members strive to maintain credentials and qualifications that exceed the requirements of the law.

From its founding until today, the MPGA has worked to maintain a favorable reputation for Guides with the general public as a means to help prevent legislation from being enacted that would negatively impact Guides and outdoor recreation.

Donating
Maine Professional Guides Association

Donations made directly to MPGA support programs including advocacy/lobbying, and fighting referendums and lawsuits that seek to eliminate outdoor recreational activities.

Contributions or gifts to MPGA are not deductible as charitable contributions for Federal income tax purposes. However, your donation may be deductible as a regular business expense. MPGA is recognized by the IRS as a 501(c)6 non profit business league. Tax ID#: 01-0516668
