MPGA, 55 Morrison Hill Rd, Wilton, ME 04294; info@MaineGuides.org

NEW THIS YEAR: We have added additional prizes. Like we have in the gun collection, each consecutive year we will have a new item in the fishing and recreational class so members have choices. We have changed the rules so you can now pick any prize from previous years. This is outlined on the attached Prize Form. Next year's prizes will be increased by the additional progressive prizes. You can also now sell or BUY additional chances for the Bonus prize.

In addition, instead of the gift certificate prizes we have issued in the past, members now will have their names entered into a drawing. The winner of this drawing will be able to choose one of the big prizes (again keeping the progression series in tact). For every \$100 worth of tickets – up to \$1400 or in excess of every \$1500 milestone – your name will be put into this drawing. This means that even if you are not able to sell the required \$1500 to win one of the prizes – you still have a chance of winning one! Or if you go the extra mile and sell additional tickets above and beyond each prize level – you might actually win again!

To enhance your selling opportunities - we have added the option for the buyer to use their credit or debit card to buy the tickets. This information needs to be filled out on the back of the ticket.

IMPORTANT: *It is imperative that you send these tickets and all tickets and checks (Payable to MPGA) to us IMMEDIATELY upon sale.*

We will send you back a confirmation so you will know that this sale has been credited to your overall total and should be added in on your Prize Form. Make sure you send the corresponding ticket with the check. **All tickets and money needs to be postmarked PRIOR to Nov 30th, 2011.**
